FIFTEEN CENTS

CHECKING OUT MERCHANDISE — Gregg Pahlke, left, and Dave Hanson look at shirts beneath one of many canopies put up for Maxwell St. Days. Sidewalk sale is one of West Lake County's most popular retail event. — Photo by Jane Polzin.

They're Biting

A rainy weekend with rising water brought the fish up to the surface and closer to the shore in search of food.

According to Ed Sorenson of Sorenson's Bait Shop in Antioch, the north end of Channel Lake and Lake Catherine are producing northerns up to 24 inches long.

Overcast days are nice, Sorenson said, because the fish rise to the surface looking for sunlight.

He suggests that live bait be used this week without bobbers. Fishermen using boats should move in closer to shore and try the eir to shore and try the eir foot level, he added.

The best lake this week is Lake Catherine, with stripers, walleyes and a large amount of catfish staying around the sandy shore.

2 firefighters hurt during explosion

Two Antioch Fire Dept. volunteers were injured when a barrel of insecticide exploded while they were fighting a fire.

Gary Larson and Bob Yanca were treated and released at Victory Memorial Hospital when they inhaled toxic material from the explosion while fighting a house and garage fire.

The men were examined as a precautionary measure, said Tod Maplethorpe, Antioch fire chief.

The fire was located at Grass Lake Rd., just past the Grass Lake School. It began at approximately 10:45 p.m. August 6.

The garage was "totally damaged" and the house was "partially damaged," Maplethorpe said.

The cause of the fire has not yet been determined.

Firefighters spent one and one-half hours trying to put out the insecticide explosion, he said.

Computer steps up bank's services

The new computer at the First National Bank of Antioch will soon provide customers with all their banking information in one monthly statement.

The new system was "bought with the intent of offering customers more services," said Lou Korom, cashier.

One of the advantages to the single statement is that it lets customers know "where they stand with the bank," he added.

Accounts, loans and mortgages will all be included in the monthly record.

CURRENTLY THE computer handles "general books and customers' checking accounts," Korom said. The system will be "adding the rest in the next six to eight months."

"I think it's terrific," said Mary Owens, bookkeeping supervisor who is operator of the computer. "I'm sort of in complete awe of what it can do."

"It can be tailored specifically to our needs and is definitely a big plus for the bank," she added.

A large downtown Chicago bank used to process checks people wrote outside of the Antioch bank. This cost the First National "a lot of money," Korom said.

The computer is a "hedge to try to hold down the cost to the consumer," he added.

"BEFORE, THE customer was charged on a per item basis."

Providing more up-to-date service and "cutting down waiting time in lines" is another of the computer's advantages, he added.

"There is also a safety factor involved," Korom said. Before, checks had to be sent to

Chicago every night. Now they "never leave the bank until we mail them to individual customers," he said.

The computer is made up of several large pieces of equipment encased in metal and plastic, no hint to their complex capabilities.

A long machine with slots, called a sorter, can sort 750 checks per minute and read them into the computer.

A square box called the central processing unit is "the intelligence of the whole system," Korom said.

A VIDEO DISPLAY terminal resembling a TV screen provides access to the computer.

Two fixed and two removable discs are where information is stored. Each contains 5 million bites or characters of information, he said.

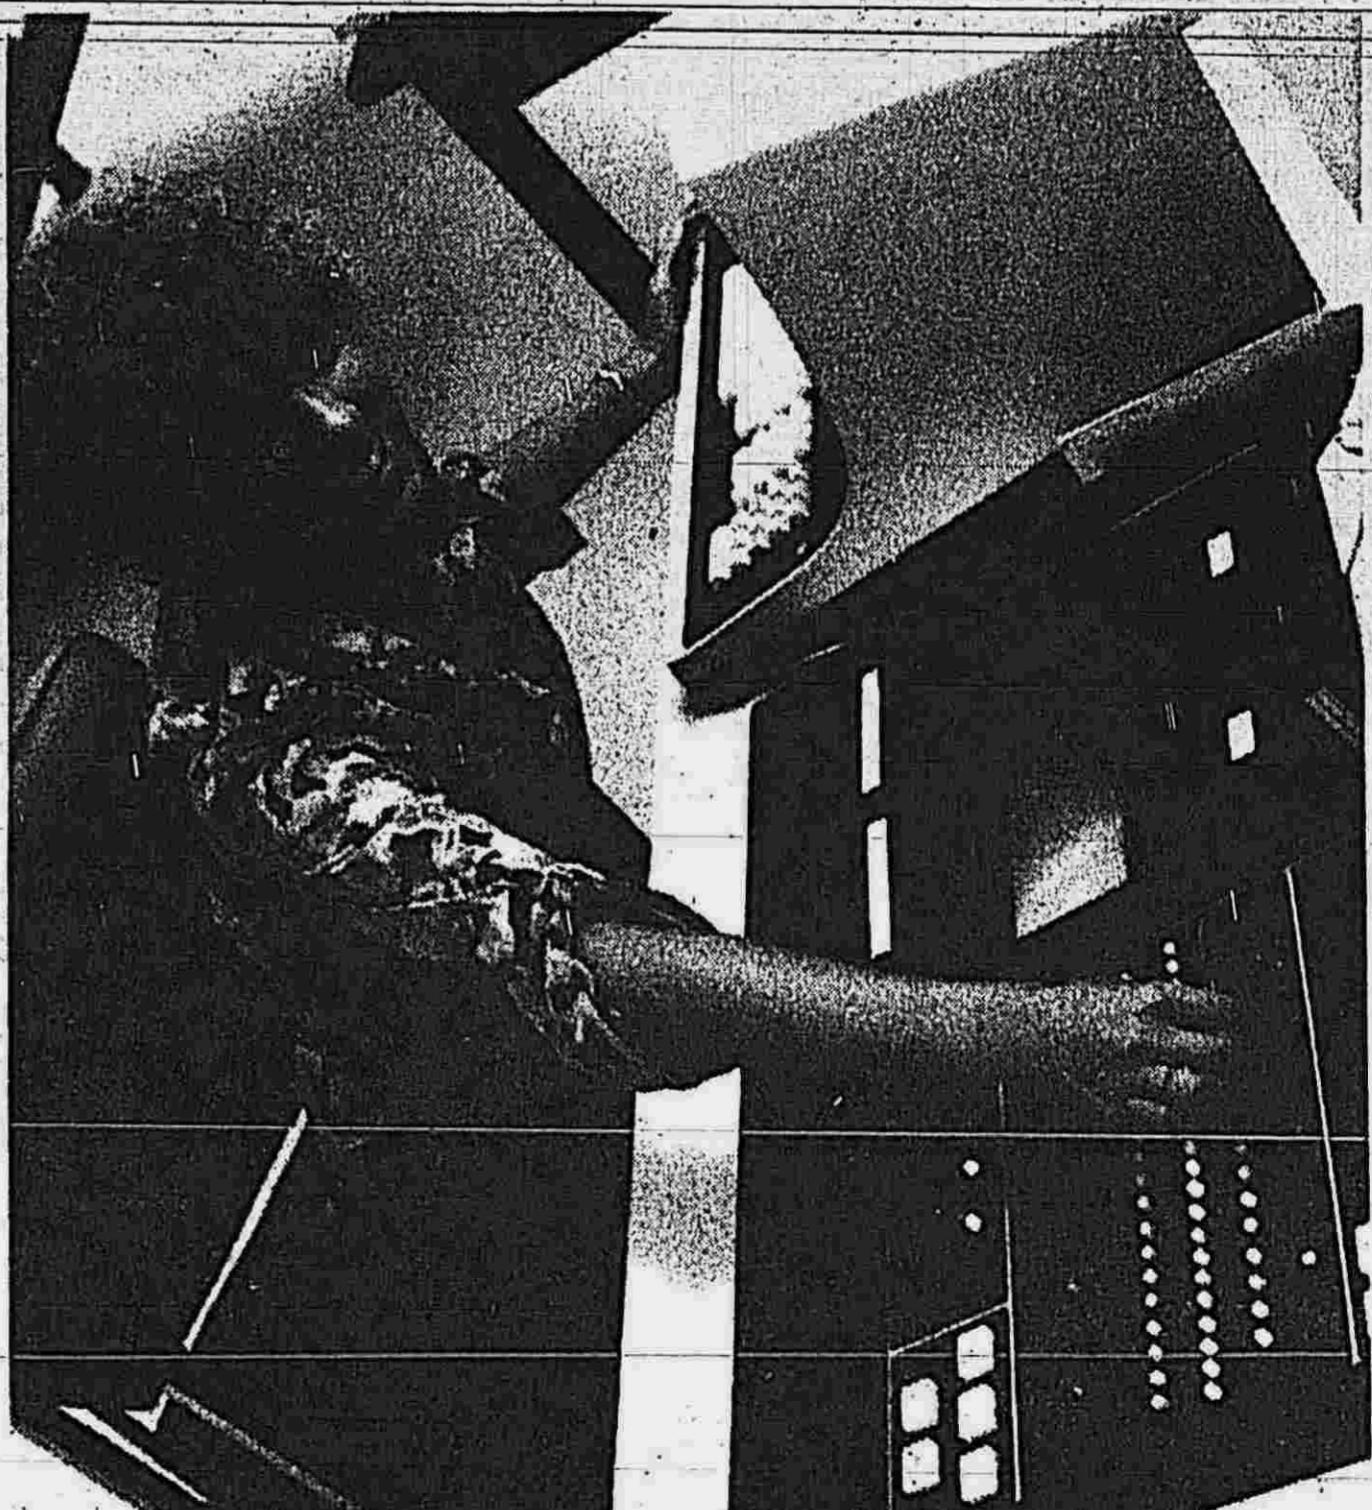

"A lot of manual functions" such as balancing books, making tickets and transferring accounts will now be done by the computer, he said.

WITH THE NEW system, "automatic loan payments can be made each month," as well as direct deposits and transfers to other accounts.

No charge is planned for the services at this time, Korom said.

Each customer will have one account number for all accounts, whether they are checking, saving or loans, he added.

The computer has the capability to "go on line," according to Korom. "Tellers could punch an account number and all the customer's information could be flashed to them in about one-fifth of a second." But that, Korom added, "is a ways away."

NEW COMPUTER — Julie Popp programs directions into First National Bank of Antioch's new computer, which is capable of sending mortgage, loan and account records in a single monthly statement.

BACK HANDFUL — Mike Nichols tries for this backhanded shot during Antioch Men's Open Tennis Tournament at Jensen Park.

ANNIE MAE

Bad weather this weekend cancelled the Young People's Art Show and the Lion's Club Chicken Barbecue. Both events will be held next week.

Fortunately, the weather was fine for the annual Maxwell Street Days. The sidewalks were crowded and traffic was jammed on Main St.

I HEARD SOME people say they had their Christmas lists with them for the sidewalk sales.

Water ballet and swimnastics were featured at Aqua Night. Parks and Recreation put on another successful family night, which was well attended.

One of the tricks the swim team did was two pyramids.

The synchronized swimming took a lot of concentration and the swimmers together formed beautiful designs.

SWIM CLASSES demonstrated the strokes and starts they learned throughout the summer.

One formerly water-shy swimmer swam a lap as her friends cheered her on.

Welcome to Antioch's new police officer, Ronald Roth.

Roth, a native of St. Louis and formerly of the North Chicago Police Dept., said he is happy to work on the Antioch police force.

Two citations were awarded him during his six year police career.

ONE WAS FOR assisting in the arrest of a man who threatened to shoot Roth and other officers. The other was for arresting two armed robbery suspects.

Many donations have been received by the C.W. and Joan Ivy family whose home was completely destroyed by fire.

The family of five was left with only a few personal belongings.

"THE RESPONSE from the people has really been great," said Pat Center who is helping the family by accepting donations of clothing and household articles.

The C.W. Ivy Family Fund has been opened by the Antioch Swim Team Parents Assn. at the State Bank of Antioch. The Ivy children have been members of the swim team for the last six years.

Donations are still being accepted, Mrs. Center said. "Household things are going to be needed," she added.

For information or donations, call Pat Center at 395-6450.

Moose women to hold luau

By ANITA WISNIEWSKI

Senior Regent Mary Galster welcomed 36 co-workers to the regular meeting. It was the Membership Committee's chapter night.

Pro-tem Chairman Jerri Polson introduced the members of her committee as Chairman Mary O'Donnell was unable to attend. Two checks were presented to Senior Regent Mary; one for the Women of the Moose Scholarship Fund and one for cookware for Mooseheart.

The Moosehaven Committee, Andrea Smallwood, chairman, is holding a pancake and sausage breakfast Sunday, August 12. It will be held at the Moose home from 9-11 a.m. Members and their guests are invited. Tickets are \$3 for Adults and \$1.50 for children. All you can eat applies to the pancakes only.

The Loyal Order of Moose is having a luau on Saturday, August 18. Dinner, a Hawaiian floor show and

dancing to the Four Pineapples are planned. Cost is \$7 a person. Dinner will be served from 6-9 p.m. Members and their guests are invited to buy tickets from the club steward early.

The next meeting will be held Thursday, August 16 and is a business meeting. Members are asked to wear street length dresses.

BARBECUE

The Antioch Lion's Club chicken barbecue and auction will be held Sunday, August 12 from 11 a.m. to 6 p.m. at the Aqua Center and Williams Park. Tickets may be purchased for \$3 from Lion's Club members or at the State Bank of Antioch, First National Bank of Antioch and Antioch Savings and Loan. At 9 a.m. an invitational swim meet will be held at the pool. At 1 p.m. an auction will be held with proceeds going to the rescue squad. Children's games and races also begin at 1 p.m. Square dancing will begin at noon.

"Get LUMBER-SCAPING!"

by Sam Kilman
The Outdoor Woodsman

"It's done with beautiful, easy-working, long-lasting Outdoor® Wood.

It's maintenance-free fences, walkways, planters and benches.

And summer houses for all seasons.

And decks, patios, or porches that never need painting.

Getting started is as easy as getting down to your lumber dealer's for my free *Outdoor Woodsman* building plans. And, of course, the *Outdoor Wood* you'll need to build 'em.

Outdoor Wood is the ideal wood for anything you build out-of-doors. It's deep pressure-treated with Wolman® preservatives to protect itself against rot and termites. For a lifetime.

You can stain or paint it; if you want to. But, if you don't want to, the wood will weather to a natural gray that blends in beautifully with your landscaping.

That's *lumberscaping*. And that's living."

"Get the real thing. Be sure the lumber you buy is stamped 'Outdoor Wood'."

Village receives traffic safety grant

The Illinois Dept. of Transportation announced approval of a highway safety grant for the Village of Antioch. According to Supt. of Public Works, Walter Shepard, the grant is to fund a traffic engineering study.

The study is being done to find ways to decrease accident potential and traffic congestion in the village. An analysis of physical characteristics, traffic volume, accident data and traffic control on the existing street system, are included.

Plans also include the formation of a traffic safety committee composed of city officials and community representatives. The committee will assist in developing a traffic improvement plan for Antioch.

Cost of the project will be approximately \$26,000. Seventy-five per cent will be reimbursed to the village.

CLC offers classes in Antioch

The College of Lake County will offer the following adult evening courses this fall at Antioch Community High School.

Interior Decorating starts September 10; Making Drapes begins October 17; Skin Care, November 7; Introduction to Business, August 29; Principles of Accounting, August 27; and Standard First Aid, October 1.

Also, CPR, August 29; Alcohol Awareness, November 7; Yoga and Meditation, September 10; You and Stocks, October 17; Speed Reading, November 7, and Introduction to Psychology, August 29.

Contact the College of Lake County at 223-6601 for any questions.

Achs ends Army ROTC basic camp

Cadet Jack H. Achs, son of Mr. and Mrs. Horst J. Achs, Rte. 1, Antioch, recently completed six weeks of training in fundamental military skills at the Army ROTC basic camp at Fort Knox, Ky.

The basic camp is designed to give junior college graduates and college sophomores who have not taken ROTC courses the chance to enter the program. The camp also qualifies high school graduates for the ROTC program at any one of the nation's six military junior colleges.

During the encampment, cadets received training in basic rifle marksmanship, military drill and ceremonies, communications and individual and small unit tactics.

Achs is a student at Northern Illinois University, DeKalb.

The cadet is a 1977 graduate of Neshaminy Langhorne High School, Langhorne.

Blinkwolt named Sears catalog sales manager

Sears, Roebuck and Co. announced the appointment of Ralph J. Blinkwolt as manager of the catalog sales and appliance store at 504 Orchard St. in Antioch.

Blinkwolt, assistant manager of Sears installation division in Melrose

Park prior to his new assignment, succeeds Bea Ireland, who has been transferred to the newly established catalog telephone sales center in Chicago.

A native of Chicago, the new Antioch manager joined Sears in August 1944 as a

salesman in the Chicago-Western Ave. store. Following his transfer to the Chicago-79th St. store, he advanced through a series of promotions to assistant store manager.

Blinkwolt has resided at 542 Longview Dr., Antioch,

for the past five years. He and his wife, the former Ethel Silha of Chicago, have two married sons, Ralph, who resides in San Luis Obispo, Calif. and Gary of Mellen, Wisconsin.

He lists his favorite hobbies as fishing and hunting.

MERRING THE LAKES REGION SINCE 1894

50 YEARS AGO: AUGUST 8, 1929

Nature lovers who have been want to travel to Grass Lake in years past to view the beautiful lotus blossoms that bloom there will have a more splendid sight this year than ever before, according to Jack O'Connor, owner of Blarney's Island. Blooming lotus beds, which are famous all over the world, started Sunday. By the end of the week there will be thousands of the flowers spreading all over the surface of the lake.

Misses Sylvia Harrison, Josephine Davis and Sylvia Dunetz, Chicago girls spending their vacations at Camp Chi, called yesterday at the office of the Antioch News to inspect the plant. They were much impressed, they said, by finding modern printing methods employed in a town the size of Antioch.

Despondency brought on by drinking too heavily of moonshine liquor is believed to have promoted a McHenry automobile salesman to commit suicide.

Stricken with a paralytic attack that had rendered him helpless, Police Magistrate Harold Gelstrup was found in his room here late Tuesday, where he had lain since Sunday in a semi-conscious condition. Dr. Beebe was summoned and the patient was removed immediately to Lake County Hospital.

In 1878 Mrs. Mary A. Hoyt put in application to Archbishop Quigley for permission to have masses said in the Woodman hall here. He said she would need a petition with 25 signatures. This she did and mass was said monthly by Father Bruton.

Mrs. Hoyt recalled this bit of history after reading about laying the corner stone of St. Peter's new Catholic church in last week's papers. It is interesting to note that the wives of four of the singers are still living.

30 YEARS AGO: AUGUST 4, 1949

A gift of several acres of land on Williams St. to the village for use as a park was announced by Mr. and Mrs. William Schroeder through attorney Edward C. Jacobs at the village board meeting. Mr. Schroeder is the son-in-law of the late C.K. Anderson who gave the village the land for the Scout House.

Robert L. Simon, Antioch, is one of three Lake County students receiving a four year scholarship to the University of Illinois.

Freddie Hawkins, 25-year-old former Antioch resident professional golfer and son of Fred Hawkins, professional at the Chain O' Lakes club, finished seventh in the Western Open Classic last week. The accomplishment won him \$800 in prize money.

Mrs. William Rosing who was brought home from the hospital last week was able to walk downtown Tuesday.

Ralph Gresens is making a fine recovery from his attack of polio and expects to return home Sunday. The case was discovered in time with the result that none of his limbs was affected.

Classified, for sale, Hill top summer cottage, screened in porch, wonderful state of repairs, only \$2500.

10 YEARS AGO: AUGUST 7, 1969

Miss Lerae Kerr is the new Miss Lake Region for 1969. The crown was presented by Miss Colleen Gross, Miss Lake Region for 1968.

The Lions Club Annual Picnic and Barbecue drew hundreds of people last Sunday to the Antioch Aqua Center to participate in the annual festivities. While some munched chicken, others were engaged in children's activities, an auction and attending a swim meet.

A newspaper dedicated to people marching to their own drummers.

Exchange student sought for school year in Europe

A serious search is being made in the Antioch Community High School area for an interested student for the Rotary Youth Exchange Program.

Being sought is a young man or young woman who is interested in spending a full year overseas as part of the largest international youth exchange program being offered. An interested applicant must seriously consider the following.

Applicants must be in high school at the time of application and not over 18 when he leaves the country.

Each applicant must attend school during the year of exchange. Credits for study in other countries cannot be assured and the Rotary cannot be held responsible. In some instances students can transfer credits. However, this is the decision of the home

school administration.

Any applicant not accepted this year has the privilege of applying next year, unless he will be over 18.

Each student is to have a \$200 revolving fund provided by the parents. This is to be used for clothing, travel and emergencies.

A monthly allowance of \$30 is given to the student by the hosting foreign Rotary club for spending money and incidentals.

Students assigned to countries where another language is spoken should tutor privately and devote adequate time to learn the essentials of the language prior to departure.

An orientation will be held before departure to discuss all phases of the program and to aid in planning. Attendance of the students and parents is required at these

meetings.

The student is not permitted to drive a motor vehicle when abroad or use drugs, except for valid medical reasons as prescribed by a physician.

Students must also avoid

romantic attachments.

Questions should be directed to any Antioch Rotarian or Wayne Parthun, the club's youth exchange officer at 356-2351 or 395-6193 or Ed Kurek of the Antioch Community High School,

395-1421.

The Antioch Rotary Club has sponsored three inbound students, Jean-Marie from France, Arni from Iceland and Janet from Scotland.

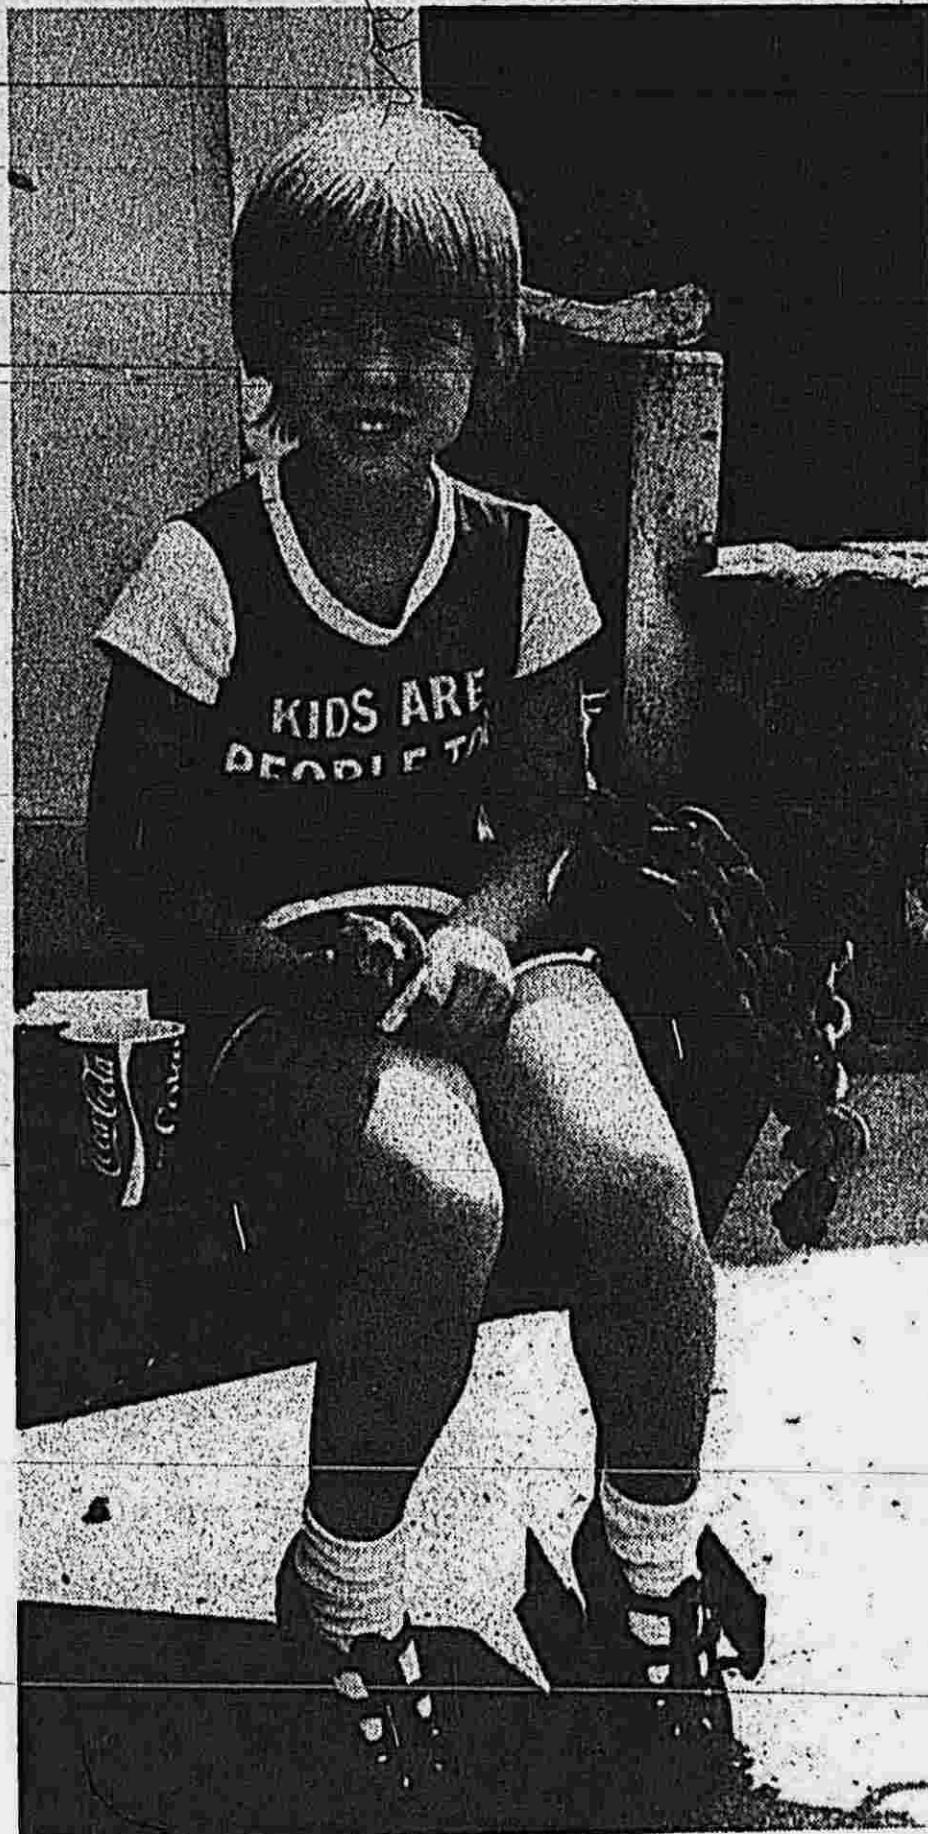

Their recently returned

outbound student to San

Cristobel, Venezuela was Matt Firestone of Antioch.

The club is expecting the arrival of Matti, its next inbound student from Finland on August 16. He will be hosted by Mr. and Mrs. William Durell of Antioch.

ON HER WAY — Janet McMurray, a Rotary Youth Exchange student from Scotland, bids farewell to her home away from home as she gives her final program to the members of the Antioch Rotary Club. Members representing the rotary are, from left, Ed Kurek, curriculum coordinator for Antioch Community High School, Tom Kelly, club president and, rear, Wayne Parthun club youth exchange officer. Far right, Matt

Firestone, exchange student recently returned from Venezuela. Janet, outstanding student both academically and in sports will be able to display many awards on Antioch Community High School sweater, which she received from the Rotary. Also presented was pewter statue of American Indian chief with hands uplifted invoking blessing of Great Spirit.—Photo by Jane Polzin.

3 women escape boat spill

Mildred Pianca of Antioch, Marie Jerrells of Joliet and Braestine Bristol of Indian Shores, Florida were fishing near Eagle River, when their aluminum boat capsized and overturned in about thirteen feet of water.

This part of the lake was deserted. After about a half hour, their cries for help brought out two boats — one which was setting out to fish and the other that of a Pioneer Lake resident who thought first that the cries for help came from kids clowning on the lake.

Miss Jerrells was rescued in the boat belonging to the Hoffmann's of Sheboygan and Mrs. Bristol and Mrs. Pinaca were brought to safety by Mr. Spahn of Pioneer Lake.

Thompsons and Petty are residents of Antioch.—Photo by Bill Schroeder

Cleven elected to bank office

Edmund F. Vos, Chairman of the Board of Directors of The First National Bank of Antioch, announced that effective September 1, 1979, Peter J. Cleven has been elected president of the bank and a director of the Bank. Cleven has been with the First National Bank since March 1971 and was serving as the executive vice-president and secretary to the board of directors.

Vos stated that L.M. Woods, who has been president of the bank since January, 1970, and a director of the bank has resigned effective August 31, to take another position in the banking industry. The Board of Directors accepted Wood's resignation with regrets.

He is presently a member of the Antioch Lions Club, the Board of Directors of the United Way of Lake County and is the President of the Lake County Banker's Federation.

Names in the news

State Rep. Donald E. Deuster (R-Mundelein) has awarded an Illinois General Assembly Scholarship to David B. Volling, son of Mr. and Mrs. Gordon K. Volling, 41618 N. Rte. 59, Antioch.

David Volling is a June, 1979 graduate of Antioch Community High School, and he is planning to attend the University of Illinois at Champaign-Urbana to study veterinary medicine.

At Antioch High School, David Volling established a high academic record, and participated in a broad range of extra curricular activities involving student government, student council, wrestling, cross-country

track, Spanish club, and he was a member of the National Honor Society.

In announcing the tuition scholarship award, Deuster said: "David Volling has been recommended to me by

many persons as an intelligent, mature and dedicated young man. I am impressed by his excellent school work and especially by his strong determination to pursue a career in veterinary medicine."

LINDBERG HONORED

Christina Lindberg, a junior majoring in music education at Millikin University in Decatur, Ill., was named to the Dean's List for her work during the spring semester. She is the daughter of Mr. and Mrs. Carl G. Lindberg of Antioch.

Mike Caithamer wins National Judo honor

Mike Caithamer of 23071 West Lake Shore Dr., Antioch won the U.S. National Judo Championship held at St. Louis.

Mike is in the 17 to 20 year age group with the weight of

173 to 189 pounds. MIKE IS A 1979 graduate of St. Viator High School in Arlington Heights and is planning on attending San Jose State College in California with scholarships in both

football and Judo.

He is currently training with the Nautilus Time Machines at the D.J.'s Fitness and Racquet Center in Antioch as well as running five miles a day. His coach is Erwin Cohen, a member of the 1972 and 1976 Judo Olympic team. He practices with him at the Buffalo Grove High School three hours daily.

HE HAS BEEN invited to train at the Olympic Training Center, Colorado Springs, Colo. in preparation for the 1980 Olympic Team. The trials will be held August 15.

Other accomplishments that have been obtained are: 1978 High School Champion in Honolulu, Hawaii defeating the Japanese and Hawaiian opponents; and Junior Olympic Champion for the last three years and will compete again this year in Lincoln, Neb.

Mike is very pleased with Dan Sterbenz, co-owner and his staff at the D.J.'s Fitness and Racquet Center in Antioch for helping him to increase his strength and skills with their training program.

Cosmic Signs

LEO

(July 24 - August 23) A mature approach to love, a well-calculated speculative enterprise and sound investments for the future are all well-aspected for success.

VIRGO

(August 24 - September 23) Don't do things you'll later regret, when confronted by obstacles and confounded by frustrations in getting what you want out of life.

LIBRA

(September 24 - October 22) The area of love, education or training, matters connected with children, and creative projects will smooth out and stabilize.

SCORPIO

(October 23 - November 22) Brighter expectations in those most important areas of your life improve your overall attitude and confidence.

SAGITTARIUS

(November 23 - December 22) Take a practical and discriminative viewpoint to avoid succumbing to disappointing news from afar.

CAPRICORN

(December 23 - January 19) No one loves a crisis like you, and you're ready now to rise to the occasion.

AQUARIUS

(January 20 - February 18) Your focus is on home, family matters and domestic affairs. Moves and relocations may be in store for you.

PISCES

(February 19 - March 20) Seek solutions that are offered by friends or neighbors, and don't be afraid to veer from your conservative path.

ARIES

(March 21 - April 21) Circumstances ironically throw all the aces your way, giving you the chance to recoup any losses from previous hands.

TAURUS

(April 22 - May 21) It could pay you dividends to look a past area of self-delusion in the face, romantically or philosophically.

GEMINI

(May 22 - June 21) Partners and close ties are emphasized now, and delicate issues demand cooperation and empathy.

CANCER

(June 22 - July 23) Your nerves and health could react belatedly to recent stresses. But far more harmonious elements prevail, starting the end of the week.

Obituaries

Carl Beitzel

Memorial Mass of the Resurrection was said August 4 at St. Peter Church, Antioch, for Carl Beitzel, 46, of Antioch.

Mr. Beitzel died July 30 in Darien, Ga., from injuries he received in a mobile home fire on I-95.

He had lived in Channel Lake since 1946. He was a member of St. Peter Church and had worked at the Johnson Motors Corp. in Waukegan for more than 20 years.

Survivors are three sisters, Mrs. Harry (Carlene) Young of Waukegan, Mrs. Charles (Wanda) Ludios of Milwaukee and Wanita Beitzel of Milwaukee.

Visitation was at Strang Funeral Home, Antioch.

Marion E. Grunow

Funeral services for Mrs. Marion E. Grunow of Channel Lake were held August 7 in Grayslake.

Mrs. Grunow died August 4 at home where she had been in failing health for the past few months. She was born in Canada and had lived in the Antioch area for the past 22 years. She had attended the Antioch Methodist Church and the Wildwood Presbyterian Church. She was a secretary by profession for more than 15 years and had been employed at Abbott Laboratories in North Chicago.

Survivors are one son, Greg of Channel Lake; three sisters, Bertha Jones of Wildwood, Mrs. William (Eunice) Reid and Mrs. Edward (Joan) Hencher, both of Prince Edward Island, Canada; and three brothers, Frank Storey, Chester Storey and Lorne Storey, all of Canada.

Contributions may be made in her memory to the American Cancer Society.

Frederick Dunford

Funeral services for Frederick Dunford, 30, of Silver Lake, were held August 8 at the Strang Funeral Home, Antioch.

Mr. Dunford died August 5 from injuries received in an auto accident near Silver Lake. He had lived in the area most of his life.

Survivors are his parents, George and Rena Dunford of Silver Lake; four brothers, George of Pell Lake, John of McHenry, James of Twin Lakes and Robert of Pell Lake; and four sisters, Mrs. Rita Toms of Kenosha, Mrs. Chuck (Ruth) Owens of St. Charles, Mrs. Kenneth (Sharon) Jacobson of Paddock Lake and Mrs. Robert (Patricia) Morgan of Paddock Lake. He was preceded in death by one brother, Richard in 1973.

Interment was in Liberty Cemetery, Trevor.

Check your child for immunization

Some of the children who will enter kindergarten this fall aren't ready to go because they aren't properly immunized.

Preparing children for their first year of school involves more than buying them clothes, school supplies and perhaps a lunchbox, says Sheri Seibold, University of Illinois Extension home economics adviser. Youngsters entering kindergarten need protection from disease.

THE ILLINOIS School Code requires that all children entering school be properly immunized against

certain preventable diseases. Yet, a recent survey of public and private school kindergartners showed that an alarming number were not immunized.

Slightly more than half were immunized for polio. Roughly one-third had received a complete series of diphtheria, whooping cough and tetanus (DPT) shots. The record was somewhat better for measles, German measles and mumps. Even so, many kindergartners were unprotected from these preventable diseases.

The polio outbreak last spring in Pennsylvania was a grim reminder that polio still exists. And those not adequately immunized face the threat of that terrible disease, she continued.

Schools in Illinois reported measles outbreaks this year. Complications of measles,

including encephalitis can be extremely serious.

IF A CASE of measles occurs in a given school, that school will deny entrance to all children not immunized. And their exclusion will continue until school officials receive proof of their im-

munization. The Illinois School Code requires this measure. Seibold urges parents to protect children from the threat of preventable diseases. Parents unsure of a child's immunization status should check with the child's physician.

Team demolition Dug Out sets next at Waukegan fall leagues

Waukegan Speedway had its entire weekend of stock car racing action washed out August 4 and 5.

As a result, the team demolition derby between Whitmore's Towing and Wadsworth Towing has been rescheduled as part of the Family Night program Sunday, August 12. Hobby stocks will also have a complete program.

Late models will return Saturday, August 11 in a 25-lap feature plus hobby stocks.

THE NATIONALLY famous Joie Chitwood Greatest Show On Wheels Thrill Show returned to Waukegan Speedway August 2 and thrilled the many fans with their 21 stunts and clown antics.

Tim Chitwood, the youngest son of Joie Chitwood, headed the group of drivers from throughout the country.

The youngest Chitwood performed the show's finale, the Mr. Pibb cannon jump which brought oohs and aahs from the crowd as he soared through the air in a burst of colorful fireworks.

In the hobby stock portion of the program, Dan Vetter won the feature in which former point leader Robert Stone rolled his mount over in turn two on the 11th lap. Stone was uninjured but forced out of the remainder of the night's action.

Following Vetter were Dan Falotico, Chuck Olson

and Gene Bramlett.

Bill Lanners won the trophy dash with heat wins going to Dave Hanna and Stone.

THE SPEEDWAY will host three nights of racing over Labor Day weekend.

Saturday, Sept. 1, late models will run a 50-lap feature. Sunday, Sept. 2, will feature the final appearance of the Interstates Racing Association super modifieds.

Monday, Sept. 3 will feature a triple-header show with late models, hobby stocks and a gigantic demolition derby. Hobbies will also run Saturday and Sunday.

Racing will continue the next two Saturdays during September.

Current point leaders at Waukegan are Ron Shearer of Waukegan, Dan Vetter of Highwood in hobby stocks and Bob Robel of Oconomowoc, Wis. in super modifieds.

Saturday racing begins at 8 p.m. with qualifying at 7 and gates opening at 6. Sunday and holidays, gates open at 5 with qualifying at 6 and racing at 7.

The track is located one quarter mile east of Rte. 41 on Washington St. in Waukegan. For track/weather information, phone 312-662-8200.

ALL DRIVERS have been invited to be in the Newport Townships Fire Dept.'s festival parade Saturday, August 11. Anyone interested contact Mike Babicz at 312-689-3097.

Dug Out Inn in Trevor has announced its fall sports schedule which includes football and softball.

Flag football will be played on Sunday afternoons starting Sept. 30 with a six team league proposed.

Three teams have already signed up and there is room for three more. Entry free is \$200 based on six teams and a ten game schedule.

Softball will be played on Wednesday and Friday evenings.

A 12 inch league is being set up for Wednesdays with a 16 inch league on Fridays.

Entries are being accepted on a first come basis with play scheduled to begin in late August. The entry fee is \$100.

For further information contact Tom Furlan at 414-862-9136 or 312-395-5788.

The park is located just north of Antioch on Rte. 83.

Advertiser won their first game in two years at Fulan's Dug Out Park. They defeated Slove's Bakery 16-15 in a nine inning struggle.

Don Vinyard picked up the win on the mound for Advertiser, but he needed help from the plate.

Dave Debour provided the big blow going a perfect five for five while batting in eight runs including the game winner in the bottom of the ninth.

Chuck Hameau and Earl Ferguson had back to back singles with Debour getting a hit which scored Hameau

for the win.

Managers for Advertiser are Dave and Joe Koch.

Maplehurst to host qualifiers

A three state area championship motocross race is being held Sunday, August 12 at Maplehurst Cycle Park near Antioch.

The top amateur motocross racers from Illinois, Indiana and Michigan are competing for the right to advance to the national amateur championship races later this summer.

Specially designed motorcycles are raced on a one to one and a half mile course laid out over rough terrain.

Obstacles such as high jumps, tight turns, mud holes and steep hills make this handlebar-to-handlebar competition an exciting spectator sport.

Maplehurst Cycle Park is located five miles west of Antioch in Spring Grove. Follow the direction signs posted along major roads.

The numerous races for various motorcycle sizes are run between 10 a.m. and 5 p.m.

Further information can be obtained by calling 815-675-2558.

Rains hit Wilmot

Rain showers throughout Saturday dealt an unrecoverable blow to races at Kenosha County Speedway.

Action will resume Wednesday, August 8 with demo derby and Saturday and Sunday night, all four classes will be in action.

The planned date for the United States Auto Club sprint cars on Sept. 15 at Wilmot has been cancelled.

Football to begin August 13

Viking Football Practice begins Monday, August 13 at 6 p.m. at the Antioch Community High School practice field.

Boys should wear gym shorts, t-shirt and gym shoes. Coaches said the first week of practice will stress physical conditioning, calisthenics, drills and exercises designed to get the boys in shape to play football.

Boys' fifth through eighth grades who are interested in playing and girls' sixth through eighth grades who are interested in cheerleading can still sign up by calling Russ Lehn, 356-1603 or by coming to the high school parking lot August 13 through 17.

REGISTRATION

Registration of students for the 1979-80 school year at the Grass Lake School is scheduled 8 a.m. to 4 p.m. Monday through Wednesday, August 20, 21 and 22 at the school office.

IMMUNIZATIONS

An immunization clinic will be held from 9 to 11:30 a.m. Wednesday, August 15 at St. Peter's Church Hall in Antioch. Pre-school and school age children are welcome and must be accompanied by a parent or guardian. Appointments are not necessary.

NO MEETING

The Antioch Village Board did not meet because a quorum was not present. A special board meeting will be held Monday, August 13 at 8 p.m. "Normal village business" will be discussed, said Marilyn Sterbenz, village clerk.

RON ALLEN

OFFICER OF THE WEEK

Shooting range is Allen's charge

Officer Ron Allen has been with the Antioch Police Dept. for two years and in that time has become well-liked among the community and his co-workers.

Police Chief Chuck Miller said that Allen is "one of the most personable officers we've ever had."

Allen, tall with curly hair and a thick mustache, "is very dependable," Miller said.

AS DEPARTMENT range officer, he is in charge of the targets and keeping a running list of each officer's shooting average.

During his eight years in police work, Allen has attended schools for traffic accident in-

vestigation and burglary investigation.

Some of the things he does is answer calls, direct traffic and watch for speeders and reckless drivers, he said. His favorite part of the job is doing investigations.

LIKE MANY OF his fellow officers, Allen loves his work.

"I like the people you meet...and talking with people."

Allen, a volunteer fireman for the past year, enjoys golfing and boating in his spare time.

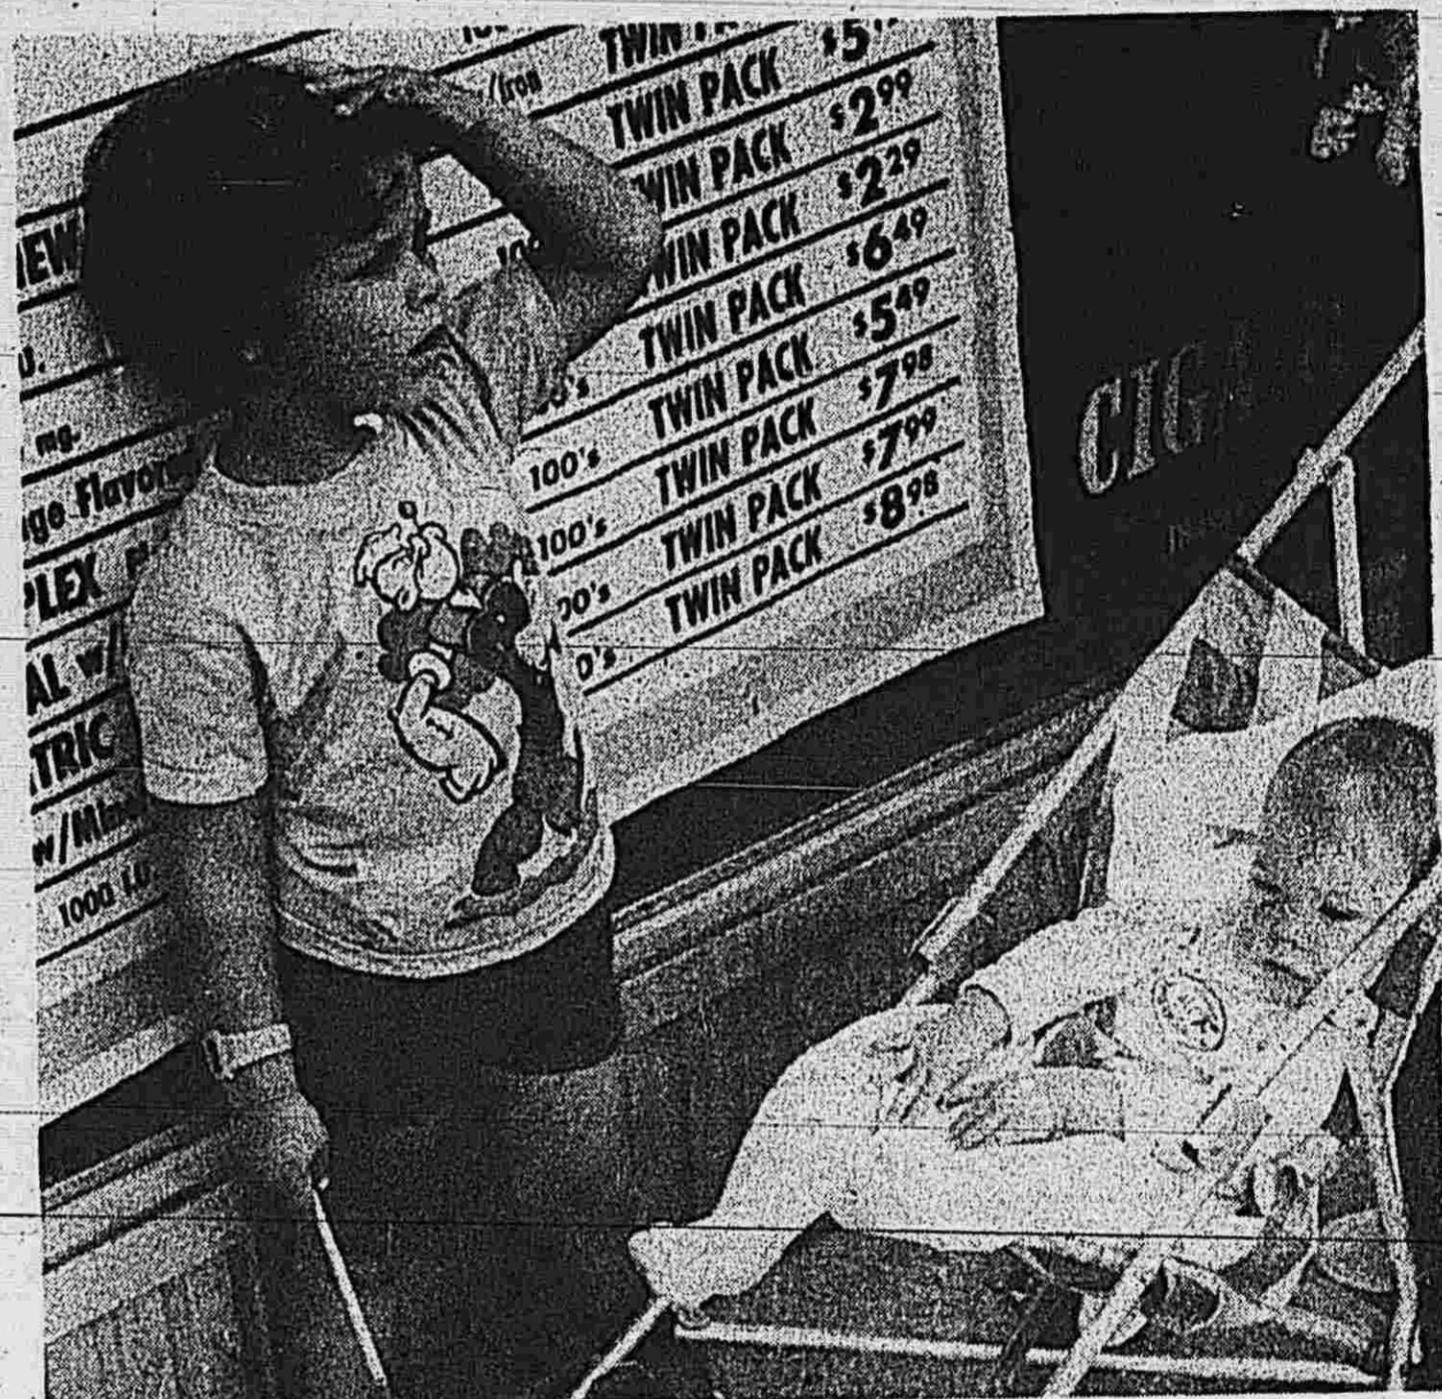

A good sense of humor has helped him in his role as chairman of the "only police function—a department picnic. He has done an excellent job," the chief said.

Skeeters facing hard times

The third and final phase of the local mosquito control program is now under way in Antioch, Lake Villa Township and Lindenhurst, according to officials of the Clarke Outdoor Spraying Company.

The last larvicide treatment of all potential mosquito breeding areas is being applied by helicopters and the first of several late summer Ultra Low Volume cold misting adulticiding treatments have started and will continue at 10 day intervals to break any disease transmission cycle.

Larviciding and adulticiding, as carried out in the local mosquito abatement program by

Clarke Outdoor Spraying, gives the best assurance that the mosquito population is mostly eliminated and that the surviving mosquitoes are too young to cause an outbreak of St. Louis Encephalitis.

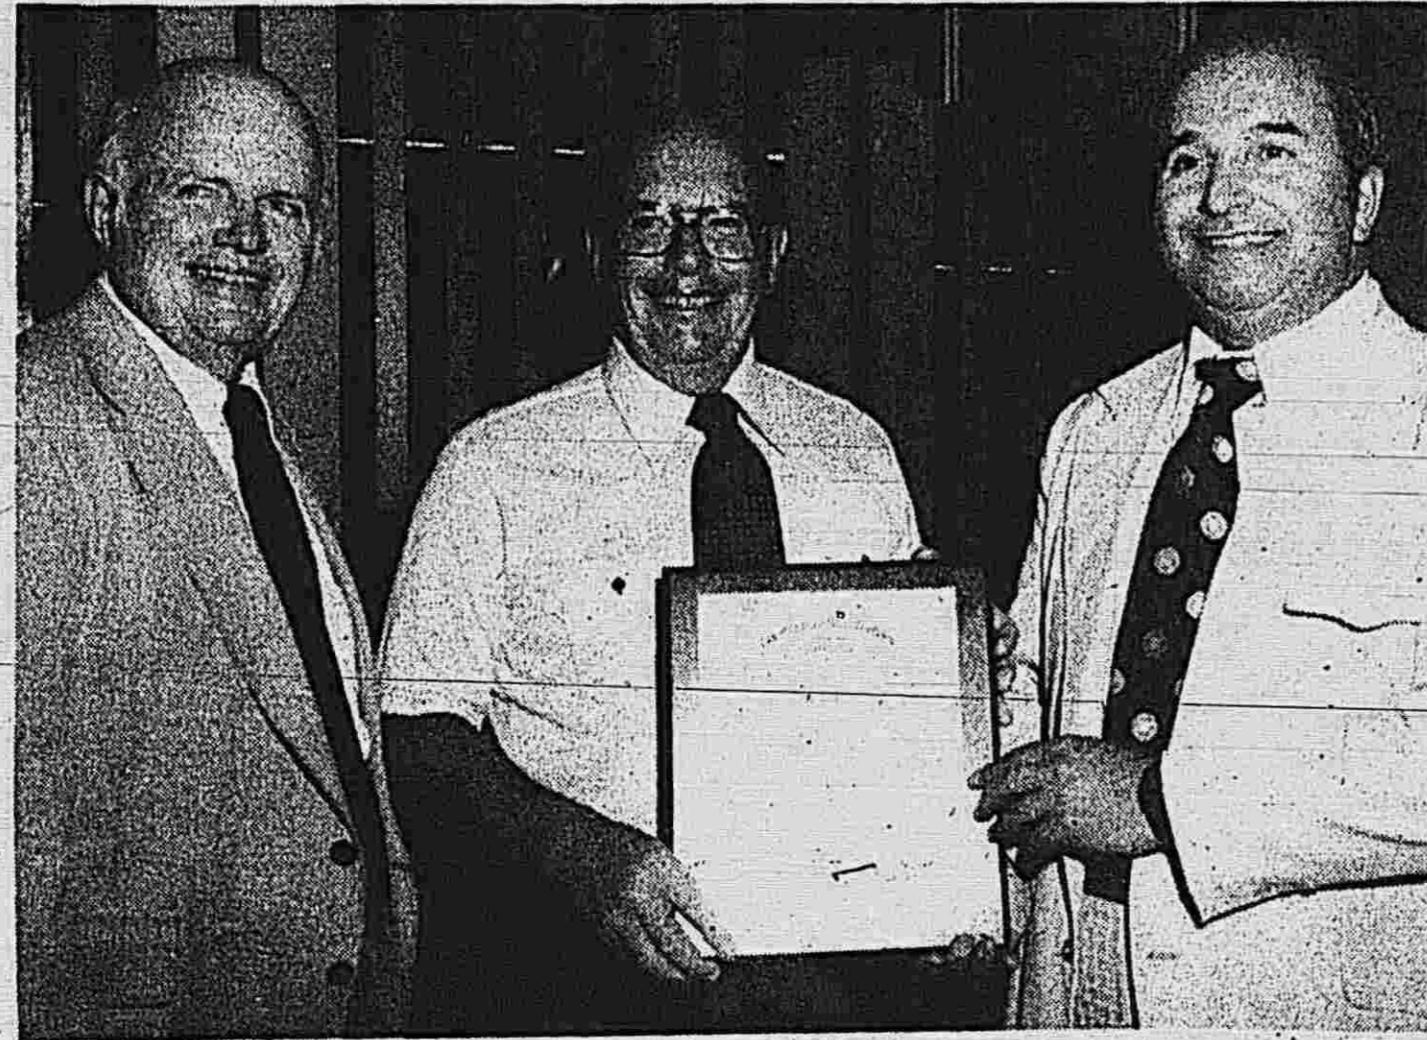

Even with the Clarke program, the cooperation of the residents and homeowners is urged to make their community virtually mosquito-free.

As much as 10 per cent of a community's mosquitoes may come from backyard mosquito-breeding areas. Any standing water that accumulates around your home must be removed. Rain gutters, old tin cans, flower pots, kids' toys and

old tires should be emptied of water.

Backyard pools should be working properly, checked at all times and when away for a vacation should be attended to by a responsible individual. Any standing water draws the mosquito crowd and becomes a potential breeding site for Culex pipiens, a known disease vector.

Mosquito Hot Line is the name of the Citizen Response System installed by Clarke to efficiently answer all questions relative to our mosquito control program. Calls can be made at any time, 24 hours daily, by dialing Clarke's toll free number 800-942-2555.

CERTIFICATE OF ESTEEM — Secretary of State Alan J. Dixon presented State Bank of Antioch with Certificate of Esteem and Recognition for many years of service in Financial Institution License Plate/Month Sticker Sales Program. Pictured above is Bank President, William E. Brook, accepting certificate from left, Charles Murphy of secretary of state's office and on right, John A. Gianulis, Administrator of bank sales, secretary of state's office. In addition to providing valuable license plate service for community, the bank was commended for greatly easing workload in Secretary of State's office. The state bank sold 84,793 passenger plates past eleven years that they provided service.

STICKERS ON SALE — Pictured above is Charles Murphy of Illinois secretary of state's office. Shown with him, from left, is Jean Rockow, operations officer at the State Bank of Antioch, and Laura Wilson, teller supervisor. Beginning August 1, license place stickers for new multi-year passenger licenses will be sold at State Bank which is authorized agent in cooperation with office of secretary of state and will be participating in staggered passenger car registrations for three months in 1979, September, October and November. For September expirations, stickers will be on sale from August 1 through October 5. For October expirations, stickers will be sold September 1 through November 5 and November expirations, stickers will be on sale from October 1 through December 5. Fees are pro-rated on a monthly rate. Expirations and fees are determined by last two digits of 1978 license numbers. Sale of plates over counter will require 1979 pre-print renewal form or 1978 vehicle identification card.

WON IN '78 — Last year's first place winner in boys' 14-15 age group in State Bank of Antioch Tennis Tournament, Gordy Nasenbeny, returns serve during championship match. Gordy plans to play Tourney this year also, which is August 10 and 11.

KEEPING COOL

Hot Weather Tips

As the expression goes, cool it—especially in the summer—it's better for your health. Here are some hot tips on keeping cool: Drink an ample amount of water, about 8 glasses a day if you work or play in a high temperature. A cool summer diet: fruits, juices, vegetables, only a limited amount of fatty foods, or iced beverages.

Some people believe that, to cool off in the summer, a hot shower's best. Not true. The body temperature is reduced safely, gradually and for the longest period of time if you take a shower which is not ice cold but somewhere between cold and tepidly luke-warm.

INSURANCE INFORMATION

We are building a metal workshop in our backyard. Will my hazard policy cover damage to the workshop? Both the standard Fire Policy and the Homeowner's Policy will cover loss to the workshop. The coverage available would be for the same perils (fire, wind, storm, etc.) as insured on the described dwelling (your home). Each policy limits the amount of coverage to 10% of the amount insured on the dwelling. This extension of coverage will not apply if the workshop is designed for use in a commercial or manufacturing operation. It is only insured if its use is solely personal. If you need more coverage than is provided by the automatic 10% extension available with the standard Fire Policy or Homeowner's Policy, additional amounts of coverage can be added to either type policy.

Troop 92 receives honors in camping

Antioch's Boy Scout Troop 92 is having a full summer of camping, learning, and having fun.

It began when Nick Zeien, Rick Paddock and Paul Hettich participated in a week long Troop Leadership Development course conducted at Camp Ma-Ka-Ja-Wan near Antigo, Wis. during the last week of June.

Along with 40 other scouts, they received classroom and field instruction in group and individual leadership concepts and techniques. At the end of the week when the patrols were judged on

teamwork, Paddock's and Zeien's patrol took first place and Hettich's was in second place.

Twenty-five scouts and six adult leaders spent one to two weeks at the camp. Eighteen boys earned a total of 36 merit badges. Those scouts who completed one to two badges include Phil Aschbacher, Steve Denny, Paul Dietrich, Phil Hettich, Ronald Larson, Mike Leaf, Robert McKee, Tim Neckerman, Ronald Noethling, Mike Stanek, Roger Tragasz, Robert Whitney, John Wierschem and Frank Zeien.

Rick Paddock, Ed Stanek and Nick Zeien finished three merit badges and Paul Hettich, the Senior Patrol Leader, completed six. In addition to the merit badges and many skill awards, most boys earned at least one National Rifle Assn. certificate and Tony DeVito qualified as a Yeoman Bowman at the Archery range.

Nine scouts who completed the mile swim are Greg and Phil Aschbacher,

Steve Denny, Paul Dietrich, Paul Hettich, Mike Leaf, Rick Paddock, Roger Tragasz, and Nick and Frank Zeien.

Rick Paddock, Paul Hettich and Steve Redman were the troop's candidates for the coveted Order of the Arrow Award. "Tapped-out" at a colorful late night bonfire, scouts and adult leaders participated in a 24 hour ordeal that tests both individual physical endurance and ability to work on a

team. All three Antioch scouts completed the event and received the Order of Arrow sash.

For maintaining the best campsite during their two week stay, the troop received the National Standard Campsite Award. The annual Ma-Ka-Ja-Wan campout can not occur without the support and supervision of adult leaders who give up a week's vacation to work with the boys.

This year the adult volunteers were Bernie Dost,

scoutmaster and the following Assistant Scoutmasters: Dave Gade, Rich Tragasz, Dick Paddock, Bob McKee and Ron Redman. In addition, many parents assisted by transporting the boys to and from Camp Ma-Ka-Ja-Wan, a 500 mile roundtrip.

Troop 92 will finish the summer with a campout at Camp O-Da-Ko-Ta near Burlington, Wis., on the weekend of August 15 and 16.

Childrens theater staging scheduled

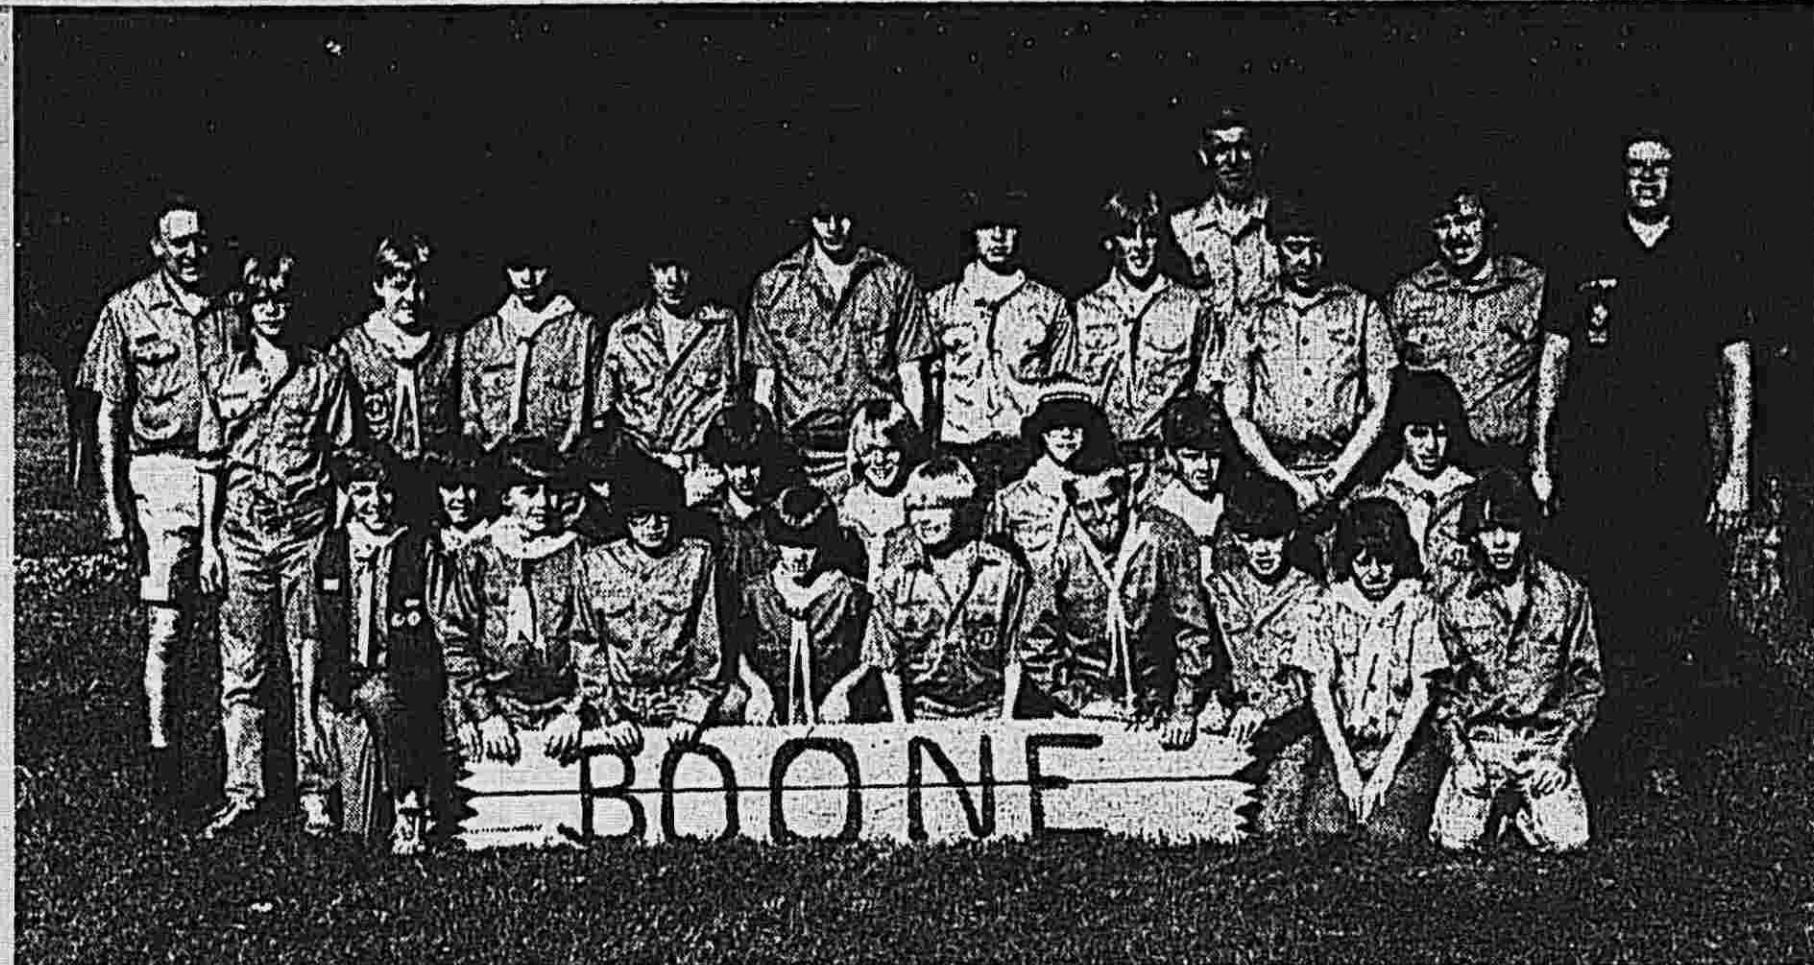

A new childrens theater group The Charlie Brown Players, formerly known as the Antioch Childrens Theater has been formed. Formerly from Antioch, the group is now conducting performances and rehearsals at the Trevor Grade School, located on Highway C, in Trevor.

Past laurels include "Aladdin's Magic Ring," "Red Shoes," "Closet Case," and "Salute to Make Believe."

All shows were written and produced by Charlie Brown. Children of all ages are welcome to come and audition for roles for the various performances to be held. Time and place will be published in your local papers.

The group has a new performance in the offing now, "Bellalina," which will be directed by Nancy Balmus of Antioch, and was written by Charlie Brown. This production will take place at 7:30 p.m. August 17, 18, 19, 24 and 25 at the Trevor Grade School.

Tickets may be purchased at the door, The Gilded Cage in Antioch or from the cast members. For further information contact Nancy Balmus 395-3290.

TROOP 92 — Members of this Boy Scout troop attended Camp Ma-Ka-Ja-Wan near Antigo where they earned total of 36 merit badges as well as skill and rifle awards.

"Better than interest on checking"

Want to reduce your cost of monthly check writing? With Smart Saver you can. If you keep both your savings account and your checking account with us, we'll reduce the cost of your checking account. For most people, this is better than earning interest on checking.

IT'S SMARTER TO DO ALL YOUR BANKING WITH US
Some people keep their checking at one bank and their savings account elsewhere. With the Smart-Saver Checking Account, it is smarter to keep both checking and savings with us. Because with the Smart Saver Checking Account, your savings earns interest and qualifies you for discount on your checking account cost. So...your savings account is working doubly hard for you—earning interest and reducing checking costs!

IT'S MORE CONVENIENT, TOO
Smart Saver will also save you time. No longer will you have to run from one financial institution to another. With Smart Saver, you've got all your accounts in one convenient place.

STOP IN AND OPEN A SMART SAVER CHECKING ACCOUNT
Take advantage of the Smart Saver Checking Account—now! We'll be happy to show you how much Smart Saver can save for you.
